DIRECTIONS FROM SEVILLE SAN PABLO AIRPORT TO THE PUBLIC UNDER GROUND CAR PARK IN AVENIDA MENENDEZ PELAYO NEAR TO CORRAL DEL REY

Come out of the airport and head north east along E-5 / A-4, continue straight on until you see a sign for **Sevilla/ Avenida Kansas** City (get into the right hand lane).

Continue along Avenida Kansas City until you hit a round about at the top end, then take the second exit along **Avenida de Jose Laguillo** (looks like you are going over a small bridge!).

Get into the right hand lane as you will shortly hit another round about (look out for Sato Sport Health Club on the corner) where you will go around it and take the 3rd exit along **Calle de Juan Antonio Cabestany**.

Continue to go down this street for approx. ½ km and at the traffic lights take a right hand turn down **Calle de Luis Montoto**

Carry on down this street and you will come to a T-junction with traffic lights. Take the left hand turn into Avenida **de Menendez Pelayo** and after 1000 yards you will see a public underground car park on your right hand side (this is very close to the gardens of Murillo!).

You will have to leave the car here and walk up **Calle Santa Maria de la Blanca**, pass by San Jose and the Cabeza del Rey don Pedro. This is a square and you will note that the street forks to the right. Continue walking down this street and you will shortly see a Pharmacy on the corner. Take a left hand turn into the alley and this will lead you to Calle Corral del Rey.

Take another left hand turn and walk up the street and you will find us 100 yards on the right hand side (We are No. 12)
